

{9 Characteristics of the Spirit Filled Life}

The Need For Patience Habakkuk 2:3

{From the Pastor's Pen}

Ralph Nygard, Lead Pastor

June 28, 2020

Dear Church family,

The message this week is on Patience, the fourth Fruit of the Spirit. The word Patience is also translated as forbearance, or long suffering. If there was ever a time that requires Patience, it is now. Every day we watch the news and hear reports of Covid 19 numbers on the rise. Many Restaurants that were able to reopen have had to close again and hospitals have started to see an increase in patients.

Each week someone asks me, "Pastor, when is the church going to resume children's ministry and the nursery?" "When are we going to start having Wednesday Night Dinners again?" It seems that many people are tired of waiting, and just want to get things back to normal even if it might cause a greater detriment and risk to their lives and the community. We are definitely in need of Patience.

Whether this has to do with our personal lives or church ministries, we have to rely on the Holy Spirit to guide us and help us develop the Fruit of Patience so that we can get through this time of trial and difficulty.

Let me encourage you to keep connecting with one another through the telephone, Facebook, and other creative opportunities to encourage one another. Also, this is a great time to spend more time in fellowship with our loving God through prayer and the reading of His Word. Pray that God will reveal his plan for the future our Church, Our Nation, and our families. He is still in control and will provide the path for us to follow in the days ahead.

In His Love,
Pastor Ralph

Church Family,

We are currently comprising a Family Legacy "Church Cookbook". Pastor Matt, Jordan Jinright, Linda Hayes, and a few others will be working on this but we need your help and more specifically, your favorite recipes!

Here are the categories we are looking for and the directions for submitting:

Categories:

Appetizers and Snacks
Salad / Soup
Main Dishes
Veggies / Sides
Desserts
Foodi / Instapot

Simply select what category your recipes goes in and include up to 3 recipes per person.

Please e-mail it to mjackson@egfirst.org

If you would rather print a photocopy to the church office, or hand write it and bring it in that is okay as well. Please make it very legible if you hand write it.

We would also love a note of where the recipe came from. Was it handed down from a family member, something you made, just a family favorite (Origin unknown), etc. ?

Please keep the recipes precise and complete.

Thank you! We look forward to printing these out and putting them together. Be on the lookout for a time when we can get back together and put these Legacy Cookbooks together!

We will accept recipes through July 31, 2020.

Thank you!

Pastor Matt

Linda Hayes
