FROM THE PASTOR

Dear Church family,

THANK YOU!

A couple of Sundays ago you blessed Diane and I with a recognition gift of a Cruise to Alaska for our 25th Anniversary as serving as your pastor at Eau Gallie First Baptist Church. We were really surprised and are thankful for your generosity, as I know many of you gave a special offering in order to make this happen. I can't tell you how blessed we feel to have served this church for the past 25 years. It truly has been a joy to be used of God through his call here since 1993. We look forward to what God has for us and this church in the days ahead.

THE FREEDOM CELEBRATION PRESENTATION

This weekend over 100 people are serving in the presentation of the Annual Freedom Celebration. This presentation came about in 1997 when Pastor Tim Harden and I were talking about the many active and retired military personnel we have in our area, and how we could put together a worship event that would recognize their sacrificial contribution to our country, as well as to help our community to be reminded of the blessings we have been given by God as a nation. Truly, our roots as a nation are built on the desire our founders had to worship freely without any limitations put on them by the government or by the Church of England.

Because of our freedom of worship, the Good News of the Gospel can be preached freely without any worry of censorship or legal limitations.

Each year, many new songs are added to the presentation, and the narration has been changed to reflect the current issues that are facing our nation. Video backgrounds were added and with the blessings of our church's growth, we were able to add more to the choir and orchestra.

A few years ago we moved the presentation from Sunday mornings to Saturday nights and Sunday afternoons so that people could attend from the community who are involved in their own respective churches. We desire that this event is an outreach event that people in our church would be comfortable to invite their family, friends, and neighbors to. For younger people, this presentation serves as a great history lesson in the foundations of our nation.

Hopefully, you will make plans to attend this presentation at 4 pm this afternoon, if you didn't get a chance to experience it on Saturday evening.

God bless you, and Happy 4th of July,

Pastor Ralph
