FROM THE PASTOR

Dear Church family,

Today, as we think about Palm Sunday, it always amazes me that Jesus was celebrated by the masses as he rode into Jerusalem on a donkey, but less than a week later probably many of the same crowd were shouting "Crucify Him, Crucify Him!" Christianity has always been a faith that demands a sacrifice. Jesus understood that His sacrifice on the cross was necessary to pay the price (atone) for the sins of mankind. Without the shedding of blood there would be no remission of sins. But the question I ask myself and the church today - "how willing are we to commit our lives to truly following the Savior that it would cause us to endure any suffering for his sake?"

Christians across the world are suffering, being imprisoned, and even dying for their faith, but here in America, we have become complacent about our relationship with Jesus. We have accepted the fact that the average Church member attends church about one to two times a month. Many that call themselves believers will not serve, give of their resources, nor are they willing to be held accountable for their actions and lifestyle. We live in a world that has a consumer minded mentality that has been adopted into the church. At the same time, many will not make a stand for biblical beliefs, and allow the lifestyles and sins of the world to be accepted as the norm. We are so afraid that people will label us as intolerant, that we will not speak up against sin.

I really believe that people in the world are looking to see if those who profess to have a relationship with Jesus are living out in their lives the teachings of the Word of God. I think about what Jesus said, **Matthew 16:24-26** *"... If anyone would come after me, let him deny himself and take up his cross and follow me. For whoever would save his life will lose it, but whoever loses his life for my sake will find it. For what will it profit a man if he gains the whole world and forfeits his soul? Or what shall a man give in return for his soul?"*

As we think about God's love, and the cross that Jesus was crucified on, may we also think about our commitment to following Christ and giving him our all.

In Christ's love,

Pastor Ralph

MINISTRY SPOTLIGHT

The Building and Grounds Ministry up keeps our facilities and improves them. **Karl Mantz**, one of the faithful members of this team, pressure washes our sidewalks and entrances, and prepares our church for worship by placing pens and envelopes in the back of the pews. We are so thankful for all of the time and effort that Karl Mantz and team put into maintaining and improving our facilities.
