## FROM THE PASTOR

Dear Church Family,

As we begin the second week of the New Year it's exciting to think about all of the possibilities and positive changes that await us. Christians should approach the New Year with vigor and enthusiasm, knowing that God reigns from His throne in heaven.

Reflecting on the successes and failures of the past year leads us to self-examination. What are some changes I need to make in the year ahead? Have I allowed myself to be distracted from the truly important duties of life? Is my relationship with the Lord stronger than it was a year ago? How about my family life? Has it grown in a positive direction? What about my church life? Am I developing closer spiritual bonds with my brothers and sisters in Christ? How about my devotional life? Have I allowed other things to crowd out the time I need for a close, personal relationship with the Father? Concerning outreach, have I been focused on the great mission of the Lord's church—to seek and save the lost? (*Lk. 19:10*).

The New Year brings about a prime opportunity for you to make changes and set goals for yourself. While a lot of people don't believe in setting New Years goals, I am reminded that you can't get anywhere in life if you don't first know where you want to go, and what it takes to get there.

Let me challenge you to take some time to ask yourself where you would like to be by the end of the year. Then, ask yourself what it will take to get there. Pray about it. If it's a worthwhile goal and you are willing to commit yourself to it, then focus on that goal and work your plan so that, with God's help, you may find success. God wants you to have Victory in the New Year.

Remember, that we are not dependent on our strength alone but that God can accomplish great things through us to His glory (*Ph. 4:13*). He can do "*exceedingly abundantly beyond all that we ask or think, according to the power that works within us*" (*Eph. 3:20*). What could be more exciting than God working in the lives of His people? May God richly bless you in the year ahead.

In His Strength,

PASTOR RALPH
