Dear Church family,

Since 1999 our church has adopted a membership covenant in which we ask those who become part of the church family at EGFirst to sign. The membership covenant is based around 4 primary Biblical areas. God has been making covenants with his people since the beginning of creation, and so it should not be strange that commit ourselves to follow Word as we join together as the family of God. Over the next several weeks I am going to share with you the membership covenant as a review and a reminder of what we should be doing as a church body.

Membership Covenant:

Having received Christ as my Savior and Lord and been baptized, and being in agreement with Church doctrines, strategy and structure, I now feel led by the Holy Spirit to unite with this church family. In doing so, I commit myself to God and to my fellow members to do the following:

1. I will protect the unity of my church

...by acting in love toward other members

"So let us concentrate on the things which make for harmony, and on the growth of our fellowship together." Rom. 15:19 (Ph)

"Live in complete harmony with each other — each with the attitude of Christ toward each other." Rom 15:5 (LB)

"Have a sincere love for your fellow believers; love one another earnestly with all your hearts." 1 Peter 1:22 (GN)

A Church body should be known for its love for one another. It is the command of scripture that we are work toward harmony so that our church will grow deeper in our relationships to one another. Just as in a marriage, our focus should be on the things that unite us instead of our own personal wants and desires. This is why the mission of the church should be first and foremost in our minds. We should relate to one another in love and seek to build each other up and help one another through our times of trial. Satan's greatest desire is to find ways to create conflict and disunity within the body so that he can stop the spread of the Gospel by disabling the church.

Until next week,

Pastor Ralph
