Missionary Moments

Poised to Impact the Future

[California] The San Francisco Bay area is a place of both affluence and influence—a place poised to impact the future like no other place in the U.S. This is where RICH and RHONDA JOHNSTONE call home, serving as Send City missionaries for the Bay Area, which includes San Francisco, Oakland, San Jose and surrounding areas. Their job is to impact these under-reached communities through evangelistic church planting. Because of faithful giving through the Cooperative Program, you are spreading the message of Christ in this diverse and influential area. Pray the influence the Bay Area wields will be used to make Jesus known throughout the Bay Area, North America and the entire world.

Beaten for Believing

[Central Asia] BOB and JOY BENTON* ask that you pray for Rose,* a believer who is undergoing persecution from her family because of her decision to follow Christ. Rose and her daughter Angel,* who was the Benton's child care worker, are the only Christians in the family. When Rose's family found out that she intended to be baptized, they beat her, destroyed her Bibles and kept her from leaving the house unaccompanied. The Bentons can only have limited contact with her now, but they were able to give her a Bible on a computer flash drive. Your giving through the Cooperative Program makes a difference to the Bentons and to people like Rose.
