# ANNOUNCEMENTS!

## **New Sermon Series Begins Next Sunday, April 23!**

The 10-week New Sermon Series: **Vintage Christianity**, begins next Sunday.

Our Pastors will be teaching through the book of James, one of the oldest books in the New Testament. The teaching of this book gives us a good idea of what early Christians learned about discipleship. The emphasis throughout is on doing.

Jesus didn't teach mere dogma, he taught a lifestyle. That's why his followers turned the world upside down in such a short period of time. The Gospel message was spread by men and women whose hearts had been radically changed by the power of Christ and who were committed to living out that transformation.
