Missionary Moments

Sharing Bible Stories and Games

[South America] On Sunday mornings, missionaries JACOB and JESSICA JANSEN* gather 60 to 80 children from the village in a mango tree grove to play games associated with a Bible story that will follow. Jacob makes follow-up home visits to tell parents the Bible stories their children are learning. Friday and Saturday evenings are youth and family game nights, including a type of field hockey using sticks. Thanks to your giving through the Cooperative Program, Jacob and Jessica have been able to follow their call to missions and live among an unreached tribe in South America. In this remote location, they are building relationships that lead to eternity with Christ.

The One God Sent

[Iowa] In 2012, GILMER MAURICIO traveled from Bolivia to Cedar Rapids to visit family. While there, he visited Immanuel Baptist Church and asked the pastor about a Hispanic church. Gilmer did not know God had placed planting a Hispanic church on the heart of this pastor or that he had been praying for four years for someone to lead that work. The pastor told Gilmer if he was the one God had sent he could start immediately. Now the whole family and the church continue to grow. Pray for Gilmer and his wife, ETHEL, as they emphasize salvation and work to restore and strengthen Hispanic families, and give generously through the Cooperative Program.

National Back to Church Sunday, Sept 18, 2016

Join thousands of churches across America to invite our communities back to church!

We're having a special service specifically designed to welcome people back to church, so now is a good time to start praying about who you will invite. Eight out of ten people say they are open to visiting church if invited. That's powerful! Imagine how our community can be transformed if everyone here invited at least one person to come to church.

We'll have a relevant message on this Sunday called "Now's the Time," that will inspire all of us to take the next step in our faith journey, no matter where each one of us is at in life. You won't want to miss it! This is the perfect opportunity to invite your friends, family, neighbors and coworkers to join you and grow deeper in their faith, or perhaps encounter God for the first time.
